MANNA adds new truck to fleet thanks to Fill The Mayflower

Thanks to the support of our amazing Fill The Mayflower sponsors and donors over the past few years, MANNA recently added a new truck to our fleet for food deliveries. We would like to thank our sponsors Coastal Moving & Storage, WEAR ABC Channel 3, Cat Country 98.7 & NewsRadio1620 and everyone in the community for their financial support. This new vehicle greatly increases our capacity to deliver healthy food to our neighbors in need through our pantries and programs in Escambia and Santa Rosa counties. It also serves as a reminder for the event and our need for healthy food donations and financial support year round.

Fill The Mayflower is an annual event held each year on the Monday and Tuesday before Thanksgiving in front of Cordova Mall. We ask the community to come out and fill the Mayflower trucks from Coastal Moving & Storage with donations of food and cash. Cat Country 98.7, NewsRadio 1620 & WEAR ABC Channel 3 do live broadcasts from the parking lot. This is our largest multi-day food drive every year.
