MEDICAL CENTER CLINIC WELCOMES R. ANDREW MEYERHOLZ, MD

PENSACOLA, FL, July 12, 2016: Medical Center Clinic is excited to announce the addition of R. Andrew Meyerholz, M.D. to The Rheumatology Department.

Dr. Meyerholz attended Southern Illinois School of Medicine in Springfield, IL, to obtain his medical degree. He then went on to complete his internship and residency programs in Internal Medicine and a fellowship in Rheumatology, at the University of Florida, in Gainesville, FL. Dr. Meyerholz is board certified by the American Board of Internal Medicine and is a fellow of the American College of Rheumatology.

As a part of The MusculoSkeletal Center at Medical Center Clinic, The Rheumatology Department works in a coordinated manner with The Departments of Neurology, Orthopaedics, Pain Management, Physical Medicine and Rehabilitation, and Physical Therapy to provide convenient and comprehensive patient care under one roof. The physicians specialize in full diagnostic evaluations and treatments for over a 100 types of diseases that affect the body's muscles, bones, joints and connective tissues.

"The Rheumatology Department is very excited to welcome Dr. Meyerholz to their team. We think that he will be a great fit for our community and Medical Center Clinic," states Leeann Wheeler, Consultant, Practice Management.

Dr. Meyerholz will begin seeing patients on August 5th, 2016.
