### Saenger Theatre: Classic Disney Movies Saturday Matinee for Kids

**PENSACOLA, Fla.** – For two consecutive Saturdays this summer, Saenger Theatre will be showing two Classic Disney Movies that are perfect for families. With the overwhelming success of our screening of “Frozen” in January and the outpouring of support from the community for that event, Friends of the Saenger and Kid’s ER is excited to offer 2 Saturday Matinee movies just for kids.

“We are going to test the waters with these 2 movies and see if families are ready for a Saturday matinee,” said Jonathan Thompson, President of the Friends of the Saenger. “If we have good attendance, we plan to make the Saturday Matinee a regular part of our Classic Movie Series.”

Kids’ ER at West Florida Hospital is generously sponsoring these two Classic Disney films.
