LIP SYNC TEAM INFO SHEET

Lip syncing is performing like a real band or rock star, except without any pesky vocalizing whatsoever.

Every team must prepare one ONE song. It can be any song.

Please tell us what your song is, and we will let you know if we need you to bring it on a CD (hopefully the DJ will have most of the songs).

The crowd will likely more appreciate a familiar AND FUN pop or rock song. Any length is okay as long as it is "within norms" of normal pop songs. Please no profanity or R-rated sexuality. Let's keep this 'PG-13.'

Practice makes perfect. Great costumes and choreographed dance routines are encouraged. Your goal is to whip the crowd up into a frenzy. Humor is encouraged.

We will have an awesome stage set up with lights and a mic (not really working of course).

Please let us know if you need guitars, a drum set or any other special equipment. (Again, because we cannot emphasize this enough, you only just pretend to play.)

Maximum team size is 8. Minimum is 2.

**PLEASE EMAIL THE FOLLOWING

-  The number of people in your band.
-  The name of your band - find a fun band name.
-  The name of the song you are going to perform.

There will be an optional run through the morning of the event.remember practice makes perfect.

You also will be required to arrive early on the day of the event to meet with the DJ.

JUDGING

The top four finalists will be chosen by a panel of judges.

Teams will be scored on a scale of 1-10 with a possibility of gaining a total 50 points in the following categories: costumes, creativity, crowd interaction/excitement, showmanship and lip sync quality.

Audience members can buy voting tickets (\$1 each) and use them to vote for their favorite of the finalists.

So ... the more event tickets you sell, the more likely you are to win (if you are a finalist of course) a weekend in a 3-bedroom suite and a pool party at the Hilton.
