One-of-Kind Decorative Tables & Chairs for Show and Sale to support the restoration of Pensacola's Historic Firehouse Building. 50% of every sale goes into our Restoration Fund. 50% goes to our fine artist who are working hard for the needed repair of our Historic Building.

Each table and chair has been restored and hand decorated. This is your chance to find that "accent" piece you have been searching for. And while in our gallery, why not shop for an art piece to go with your chair or table. You will leave knowing that you have helped us preserve Pensacola's Historic Firehouse Building.
