

Justin Sayfie to Keynote Chamber Legislative Luncheon

Leading Florida political commentator to provide analysis on the ever-changing political landscape

PENSACOLA, Fla.-February 8, 2017- Today, the Greater Pensacola Chamber announced that Justin Sayfie, founder of the Sayfie Review and one of Florida’s leading political commentators, will keynote the Chamber’s annual Legislative Luncheon.

“Justin Sayfie has been on the cutting-edge of Florida politics for the past two decades,” Chamber President and CEO Clay Ingram stated. “Justin will provide our audience with great insights into what’s happening in the political world, and why.”

The theme of Sayfie’s remarks, *The Game-Changing Rules of the New Political Playbook*, will focus on the lessons learned from the 2016 presidential election and what the new rules of the game mean for Florida’s elections in 2018.

Since 2002, Justin has published and managed SayfieReview.com, an award-winning online publication focused on Florida politics that has been described by the Tampa Bay Times as the “online Bible for Florida political junkies”. Per a 2014 survey, 73.1% of Florida legislators said they obtain their news from Sayfie Review, making it the top source for Florida’s lawmakers.

In September 2013, Justin launched the Sayfie Review Florida Leaders Summit. The Summit is modeled after the World Economic Forum in Davos, Switzerland and has featured speaker such as Governor Rick Scott, Joe Scarborough, Mika Brezinski, Arianna Huffington and Dr. Fareed Zakaria.

Justin Sayfie served as a top advisor for former Florida Governor Jeb Bush and was appointed by President George W. Bush to serve on the President’s Commission on White House Fellowships. Justin has regularly appeared on CNN, Fox News and MSNBC to provide political commentary.
